STEEL CABLE MANAGEMENT SOLUTIONS

About Us

TAMLEX STEEL CABLE MANAGEMENT

As a leading British manufacturer of steel cable management solutions, Tamlex is uniquely placed to offer bespoke solutions to meet any customer requirement. With over 50 years experience and expertise in providing cable management systems to the highest standard and with its proven capability to supply everything from floor service boxes to power and lighting trunking systems, Tamlex is also fully supported by the complementary ranges from its associated group companies of Proteus Switchgear and Centaur.

As a design orientated manufacturer Tamlex has established many standard product ranges as well as unique bespoke ranges to suit individual installation circumstances that incorporate features, cost saving and benefits for the installer all backed up by a fully qualified technical support team.

CASE STUDIES

Hear From Some Previous Clients

Having a local manufacturer who can produce good quality product, at the right price and deliver on time... is just the right fit for us.
