| SSK6TSS/B | Perimeter Trunking, Security Skirting Trunking | 25/11/2025 |

**Tamlex Data Sheet**

### Description:

150mm x 60mm Chamfered Skirting 2 Gang Switched Socket Plate

### Features:

- The Tamlex secure perimeter trunking system offers the end user a quick and easy to fit system.
- This range combines excellent screening capability and clean design with superior mechanical strength, making it the ideal solution for high traffic environments such as hospitals, laboratories and universities whilst also offering first class fire protection.
- All metal construction - for maximum strength and durability.
- The dividers are provided with 20mm knock-outs every 100mm for easy access between partitions
- All surface lid are supplied powder coated black to RAL 9005 but a wide variety of colours are available for that high quality finish.
- The powder coating not only offers an attractive finish but is also highly resilient to damage during use and installation.
- The lid is also available in a self-colour galvanised finish for that more industrial look if required or where on-site coating is required
- Powder coating is low smoke zero halogen
- Full range of accessories Cat6a
