

Product Code:	Product Range:	Issue Date:
TDA6C/G	Dado Trunking, Perimeter Trunking	22/8/2025

**Description:**  
150mm x 60mm Square Dado Trunking Joint Cover

- Features:**
- An extensive range of multi compartment steel perimeter trunking available in both square dado and chamfered skirting profiles available in 2 and 3 compartment which offers the end user a quick and easy to fit system
  - Our system has been specifically designed for durability and the ease of installation
  - This range combines excellent screening capability and clean design with superior mechanical strength, making it the ideal solution for high traffic environments such as hospitals, laboratories and universities
  - The dividers are provided with 20mm knock-outs every 100mm for easy access between partitions
  - All surface lid are supplied self colour but a wide variety of colours are available for that high quality finish.
  - The powder coating not only offers an attractive finish but is also highly resilient to damage during use and installation.
  - The lid is also available in a self-colour galvanised finish for that more industrial look if required or where on-site coating is required
  - Powder coating is low smoke zero halogen
  - All Dado and Skirting trunking lengths are supplied complete with lid, joint covers and fixing screws
  - Earth links are not included and should be ordered separately
  - Compliance: Cat6a
