

Product Code:	Product Range:	Issue Date:
TDA6 LID/G	Perimeter Trunking, Dado Trunking	14/9/2025

Description:

150mm x 60mm Square Dado Trunking Lid (2m Length)

Features:

- An extensive range of multi compartment steel perimeter trunking available in both square dado and chamfered skirting profiles available in 2 and 3 compartment which offers the end user a quick and easy to fit system
- Our system has been specifically designed for durability and the ease of installation
- This range combines excellent screening capability and clean design with superior mechanical strength, making it the ideal solution for high traffic environments such as hospitals, laboratories and universities
- The dividers are provided with 20mm knock-outs every 100mm for easy access between partitions
- All surface lid are supplied self colour but a wide variety of colours are available for that high quality finish.
- The powder coating not only offers an attractive finish but is also highly resilient to damage during use and installation.
- The lid is also available in a self-colour galvanised finish for that more industrial look if required or where on-site coating is required
- Powder coating is low smoke zero halogen
- All Dado and Skirting trunking lengths are supplied complete with lid, joint covers and fixing screws
- Earth links are not included and should be ordered separately
- Compliance: Cat6a

Technical:

Product Type Spares

Height 150mm

Length 2000mm

Weight 4.40 Kgs

Gauge 1.0mm

Material Pre-Galvanised Steel (Zinc Coated)

Colour/Finish Self Colour

Standards BS EN 10346:2015

Compliance Category 6a

Pack Quantity Length

Important:

cover straps and accessories.
