## Description:

200mm x 60mm Chamfered Skirting 2 Gang Euro 4 Module Plate

## Features:

- An extensive range of multi compartment steel perimeter trunking available in both square dado and chamfered skirting profiles available in 2 and 3 compartment which offers the end user a quick and easy to fit system
- Our system has been specifically designed for durability and the ease of installation
- This range combines excellent screening capability and clean design with superior mechanical strength, making it the ideal solution for high traffic environments such as hospitals, laboratories and universities
- The dividers are provided with 20mm knock-outs every 100mm for easy access between partitions
- All surface lid are supplied powder coated black to RAL 9005 but a wide variety of colours are available for that high quality finish.
- The powder coating not only offers an attractive finish but is also highly resilient to damage during use and installation.
- The lid is also available in a self-colour galvanised finish for that more industrial look if required or where on-site coating is required
- Powder coating is low smoke zero halogen
- All Dado and Skirting trunking lengths are supplied complete with lid, joint covers and fixing screws
- Earth links are not included and should be ordered separately
- Compliance: Cat6a

## Technical:

**Product Type** Plates
