TSK8E4M/B Perimeter Trunking, Skirting Trunking

# **Description:**

200mm x 60mm Chamfered Skirting 2 Gang Euro 4 Module

## Features:

- o An extensive range of multi compartment steel perimeter trunking available in both square dado and chamfered skirting profiles available in 2 and 3 compartment which offers the end user a quick and easy to fit system
- o Our system has been specifically designed for durability and the ease of installation
- o This range combines excellent screening capability and clean design with superior mechanical strength, making it the ideal solution for high traffic environments such as hospitals, laboratories and universities
- o The dividers are provided with 20mm knockouts every 100mm for easy access between partitions
- o All surface lid are supplied powder coated black to RAL 9005 but a wide variety of colours are available for that high quality
- o The powder coating not only offers an attractive finish but is also highly resilient to damage during use and installation.
- o The lid is also available in a self-colour galvanised finish for that more industrial look if required or where on-site coating is required
- o Powder coating is low smoke zero halogen
- o All Dado and Skirting trunking lengths are supplied complete with lid, joint covers and fixing screws
- o Earth links are not included and should be ordered separately
- o Compliance: Cat6a
