

**Product Code:**

TSK8E4M/B

Product Range:Perimeter Trunking, Skirting
Trunking**Issue Date:**

26/6/2026

Description:200mm x 60mm Chamfered Skirting 2 Gang Euro 4 Module
Plate**Features:**

- An extensive range of multi compartment steel perimeter trunking available in both square dado and chamfered skirting profiles available in 2 and 3 compartment which offers the end user a quick and easy to fit system
 - Our system has been specifically designed for durability and the ease of installation
 - This range combines excellent screening capability and clean design with superior mechanical strength, making it the ideal solution for high traffic environments such as hospitals, laboratories and universities
 - The dividers are provided with 20mm knock-outs every 100mm for easy access between partitions
 - All surface lid are supplied powder coated black to RAL 9005 but a wide variety of colours are available for that high quality finish.
 - The powder coating not only offers an attractive finish but is also highly resilient to damage during use and installation.
 - The lid is also available in a self-colour galvanised finish for that more industrial look if required or where on-site coating is required
 - Powder coating is low smoke zero halogen
 - All Dado and Skirting trunking lengths are supplied complete with lid, joint covers and fixing screws
 - Earth links are not included and should be ordered separately
 - Compliance: Cat6a
