**Description:**

3 Compartment 68mm Deep Screed Service Box

**Features:**

- 3 Compartment Screed Service Box.
- 20mm Knockouts for use with 20mm conduit.
- Reversible self-closing lid.
- Reinforced with steel plates with a recessed lid to allow 10mm infill.
- Durable polycarbonate trim and lid as standard.
- Cable outlets with sponge foam to prevent ingress.
- Floor Cut-out size: 305mm x 205mm.
- Accepts standard 85mm plates only.
- Alternative metal trims available designed specifically for high traffic environments such as receptions and universities. (Can be powder coated).
- Service boxes are designed for use in office type environments and should not be installed in main walkways, corridors, gangways.
- Not suitable for wheeled traffic areas.
- **Customer Notice** 68mm depth service boxes have restrictive cable capacity.
- The 68mm cavity and screeded service boxes should only be fitted with flush / panel mounted sockets (C2GS) due to the limited depth.
