

**Product Code: Product Range:** Issue Date:

MOR/600/90/300/G Medium Duty Accessories, Ladder 6/11/2025 Rack, Medium Duty

# **Description:**

600mm 90° Outside Riser R300 For Medium Duty Ladder HDG

## Features:

- Manufactured from the same HDG steel as straight lengths for consistent strength and corrosion protection.
- · Designed to maintain uniform rung spacing and alignment throughout changes in direction.
- Precision-formed profiles ensure accurate fit with adjacent components.
- All fittings have integral coupling tabs and fishplates.
- Internal and external radius options available to suit different bend requirements.
- Ideal for routing around structural obstacles or changing cable direction cleanly.

# Technical:

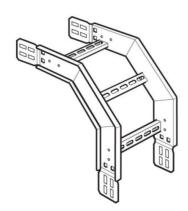

Standards BS EN ISO 1461:2009

Product Type Outside Riser
Width 600mm
Height 100mm
Weight 4.50 Kgs
Angle 90°
Diameter 300mm Radius
Gauge 1.5mm
Material Post Hot-Dipped Galvanised (HDG)
Colour/Finish Self Colour

# Important:

HDG ladders are suitable for internal and external use, including light industrial and coastal environments. Ensure cut edges or drilled holes are treated with a suitable zincrich paint or similar to maintain corrosion protection.

The approximate weights given are for pre-galvanised finish only, in kilograms (nominal) and subject to material thickness tolerance.
