

## Tamlex Trapeze Enquiry Form

### Description

#### Pre Assembled Trapeze Systems

Tamlex can pre-assemble strut trapeze systems from 1 to 4 tiers which are easy to install and don't require any assembly on site, saving you time and money. We will provide you a quote and time frame to build the trapeze system.

##### **4 simple steps to follow:**

**Step 1.** Choose the type of Trapeze system: 1 tier, 2 tier, 3 tier, or 4 tier.

**Step 2.** Determine the length of the M10 threaded rod drop.

**Step 3.** Select the type of strut required: 41x21 slotted or 41x41 slotted.

**Step 4.** Finally, choose the width of the frame, ranging from 300mm to 1500mm.

##### **All Trapeze systems come complete with:**

- Cut to length M10 threaded rod
- Cut to length strut
- All fixings, including rod and strut end caps

**Please fill out the form below to get your quote today!**
